Wrath Specialization For each level of spell he can cast, Highlady Athroxis can use Drain Bonded item once per day to recall a spell belonging to the Evocation school of that level (instead of using it only once per day in total, and instead of using it for any spell). Highlady Athroxis cannot cast any spells from the Abjuration or Conjuraton schools.

Mark of Wrath ♦ Highlady Athroxis bears the mark of her rulership on her flesh - a faintly glowing tattoo on her forehead that moves through the generations from one ruler to the next. Once a day as an action, the mark can be activated to cast fire shield.

Overwhelming Energy ♦ (manipulate, metamagic, wizard) Highlady Athroxis alters her spells to overcome resistances. If the next action Highlady Athroxis uses is to Cast a Spell, the spell ignores an amount of the target's resistance to acid, cold, electricity, fire, or sonic damage equal to her level. This applies to all damage the spell deals, including persistent damage and damage caused by an ongoing effect of the spell, such as the wall created by wall of fire. A creature's immunities are unaffected.

Whirlwind Strike ♦♦♦ (fighter, flourish, open) Highlady Athroxis attacks all nearby adversaries. Make a melee Strike against each enemy within your melee reach. Each attack counts toward your multiple attack penalty, but do not increase your penalty until you have made all your attacks.
