

# DRAIN SINFUL ITEM

# RUNE

RARE	ARCANE	WIZARD
------	--------	--------

**Frequency** once per day per spell level

**Requirements** You haven't acted yet on your turn

You expend a portion of the power stored in your sinful item. During your turn, you gain the ability to cast one spell of your specialist school you prepared today and already cast, without spending a spell slot. You must still Cast the Spell and meet the spell's other requirements. You can use it once per day for each level of spell you can cast recalling your specialism spell of that level.

During your daily preparations you attune an item with your sin and with one spell of each level from your specialist school as you memorize them. This attunement causes the item to bear the rune associated with your sin. The rune glows briefly when the item is used.
